MAYOR'S MESSAGE

Welcome to Maitland City Council's "New Residents' Guide". This publication has been designed with the needs of new local residents and property owners in mind and is our way of providing you with information and contacts that will help make your settling into the Maitland area a more enjoyable and hassle free experience.

Maitland City Council works closely with government bodies, agencies, organisations and community groups to provide a range of quality services for the cultural, economic, environmental, physical and social needs of our residents. We like to listen to you and your ideas to ensure we can work together for the future of our city.

This is an exciting time to be investing and living in Maitland. With a huge increase in housing, infrastructure and numerous major projects underway the face of the city is changing as we become a truly cosmopolitan regional hub!

Maitland City - under our tourism brand of Hunter River Country - is attracting more and more visitors each year with a fast growing tourism industry which is supported and maintained by Council. Numerous tourism events such as Hunter Valley Steamfest, the Morpeth Jazz Festival and Cellar in the Cells are becoming both nationally and internationally recognized.

The Hunter River, Maitland CBD, Morpeth, heritage, wines, local produce, nature reserves and sporting facilities ensure there is something for everyone to enjoy.

Please utilize this guide as a convenient way to find out more about our "Can Do" city and the many services provided by Council and other community businesses and organizations.
