

DATE ADOPTED: 8 December 2020

VERSION: 4.0

POLICY OBJECTIVES

The objective of this policy is to communicate Council's decision to close non-essential services and facilities during the Christmas and New Year period.

POLICY SCOPE

This policy applies to all Maitland City Council services and facilities.

POLICY STATEMENT

During the period between Christmas and New Year Council's administration building, depot facility and libraries will be closed.

Other Council facilities will be closed on Christmas Day and may re-open prior to the new year with changes to their operating hours. Please contact the facility directly or visit Council's website for more information. These facilities include:

- East Maitland and Maitland Swimming Pools
- Maitland Gaol
- Maitland Regional Art Gallery
- Maitland Visitor Information Centre – will be closed Boxing Day, reopens New Year's Day
- Mt Vincent Waste Management Centre.

The community will be made aware of any operational changes to Council services and facilities during the Christmas and New Year period. Council will communicate these changes by undertaking appropriate advertising through notices in a local newspaper, Council's website and social media.

Throughout this period Council will continue to provide essential services to ensure the health and safety of the community. Essential services include:

- After hours call service for emergencies
- CBD cleaning
- Cleaning of community facilities as required
- Kerbside garbage collection (collections will not operate on Christmas Day. Bins will be collected the following day)
- Street sweeping.

Council will still provide appropriate on-call officers to respond to urgent maintenance work or emergency situations. If such a situation arises, the community is asked to contact the after-hours service on 49349700. The after-hours service will then contact the on-call officers. These officers can be contacted by calling the Council's Citizen Services (4934 9700) and you will then be redirected to the after-hours operator.

Any Council staff affected by the closure of facilities during this period will be required to take leave from annual, rostered or agreed leave balances to cover absence on normal working days.
