**General**

Pre-lodgment DA meetings are an avenue in which the applicant can obtain preliminary advice on applications prior to lodgment with Council. The objective of a pre-development application meeting is to assist in identifying and, if possible, resolve any issues/constraints related to the development as early as possible and prior to a development application being lodged.

Pre-lodgment DA meetings are held every Thursday between 9.00am and 11.30am. Appointments run for approximately half an hour. If you feel that you need longer to discuss your proposal, please book a 45 minute or 1 hour appointment.

**Fee Involved with Pre-lodgment Meeting**

The pre-lodgment advisory service carries fees outlined in the below table and will requested via invoice to the applicant prior to the meeting.

<b>Pre-lodgement Advisory Service</b>		<b>Fee Excluding GST \$</b>		<b>Total \$</b>
Development up to 10 dwellings or up to 10 lots or up to \$1 million with minutes	50% of fee is retained if a pre- lodgement meeting is cancelled within 3 days of the scheduled date.	\$590.91	\$59.09	\$650.00
Development over 10 dwellings or over 10 lots or over \$1 million with minutes	50% of fee is retained if a pre- lodgement meeting is cancelled within 3 days of the scheduled date	\$772.73	\$77.27	\$850.00

*N.B. The above fee calculation only applies to the 2023-2024 financial year. Please contact Council outside this period for revised fees.*

**Types of Proposals Suitable for a Pre-lodgment DA Meeting**

Council encourages you to request a Pre-lodgment meeting if you are proposing any of the following types of development:

- Commercial development
- Residential development (dual occupancy, multi-unit development, residential flat buildings, mixed residential/commercial development)
- Subdivision proposals
- Industrial development
- Other development where significant site constraints exist (flooding, heritage conservation, heritage item).

**Role of Council Pre-lodgment DAMeeting**

A senior officer of Council’s Planning Environment and Lifestyle Group will generally chair meetings, with appropriate technical staff members being present. Other officers with particular areas of expertise may also attend the meeting if it is considered relevant.

Council will provide written advice following the meeting. These notes will highlight the issues discussed in the meeting and the outcome of the meeting. The comments provided cannot be modified after being issued.

Pre-lodgment meetings are not intended to pre-empt a decision in relation to a development application and cannot provide an authoritative statement as to the likely outcome of an application.
