Notification of upcoming works

Dear resident,

We have developed a concept plan and design for a brand new sportsground on Suncroft Street, Sophia Waters, Chisholm:

PROJECT DETAILS	
Type of works	Construction of sportsground
Location	15 Suncroft Street, Chisholm
Project timeframe	Starting April 2025 - completion mid-late 2026
Council contact	Senior Project Manager – Deepak Sharma – 4931 2805

What are we doing, and why?

We’re planning the development of a sportsground on Suncroft Street, Sophia Waters, Chisholm to cater to the needs of our growing community. A concept plan and detailed design are now being finalised (see next page), with the project set to include two mixed sports fields, a cricket wicket, an amenities building with accessible changerooms and toilets, irrigation and sports flood lighting, and parking for over 100 vehicles including accessible car parks.

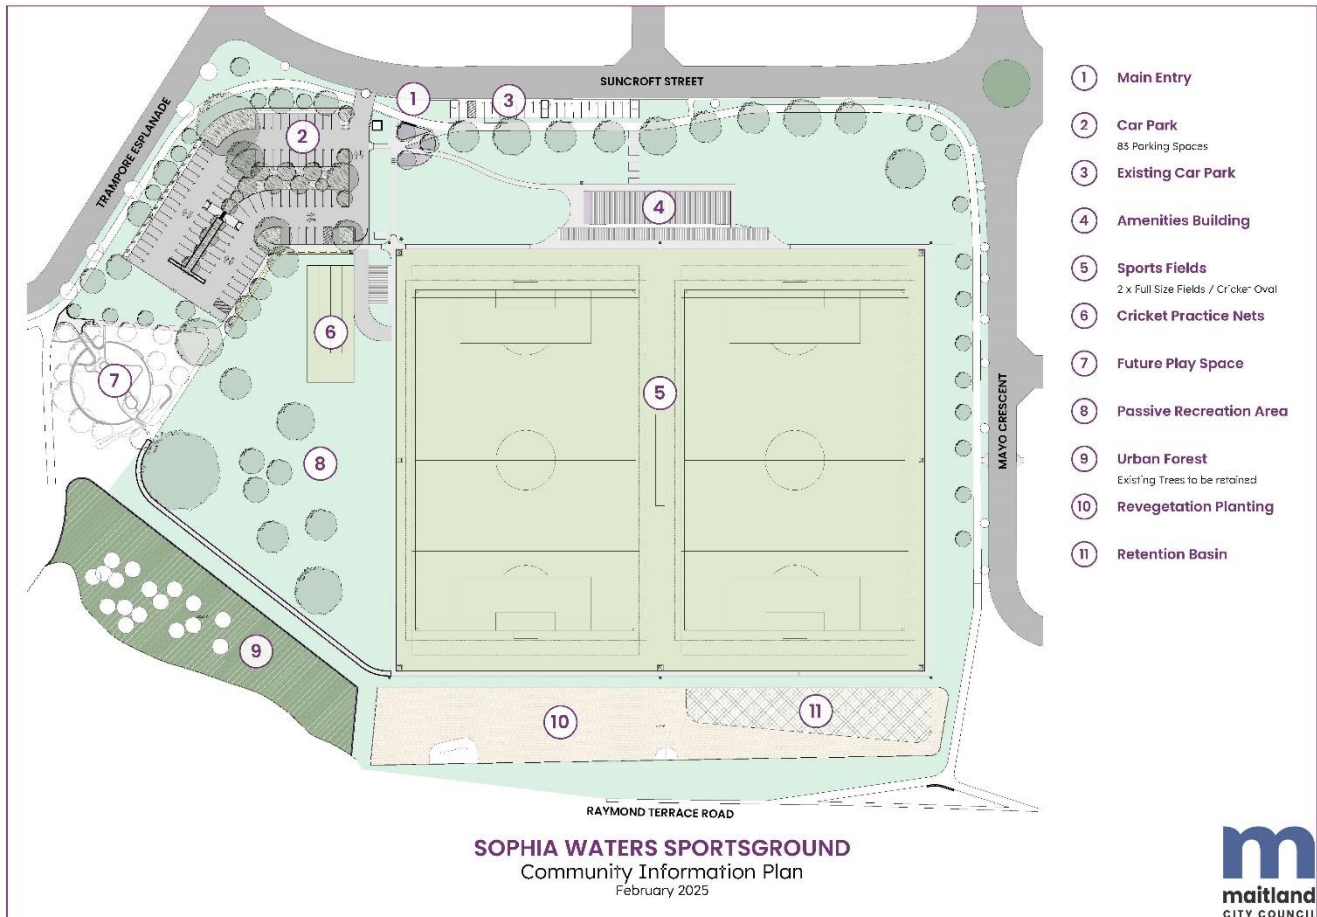

During community consultation for the Thornton North Urban Release Area, we heard the community’s need for sporting facilities in Chisholm and that feedback has helped inform the development of this project.

What can you expect for this project?

We are aiming to start construction in April 2025 and complete the project by mid-late 2026.

Council’s Senior Project Manager, Deepak Sharma can be contacted on 4931 2805, if you have any questions about the project.
