

Maitland Town Hall Catering

We understand the importance of selecting the right cuisine for your event and as such, catering at the Maitland Town Hall involves a panel of approved caterers.

Hirers can contact the catering companies directly and arrange drop-off catering for your meeting room, or menu packages for more formal bookings.

Meeting Room Catering

Hirers of Maitland Town Hall Meeting Rooms can contact the catering panel for drop-off catering, or choose to supply and organise their own catering.

Venue staff are available to receive the delivered catering items, place food in the room at the times requested and remove any waste at the end of the booking.

Food is to arrive pre-prepared and ready to serve by Town Hall staff. All crockery and cutlery must be provided by the hirer and be disposable by nature.

Venue staff can store food in the venue fridges. There is no access to the venue's commercial kitchen for hirers.

Applicable Service Fees

Drop off catering fees apply.

Our team will continue to support your bookings from start to finish in the Town Hall Meeting Rooms, ensuring a smooth and seamless experience for you and your attendees.

**Meeting Rooms include the Maitland, Heritage, Paterson, Hunter, and Committee Rooms. Evans Room bookings subject to approval. Commercial kitchen access, Main Hall bookings, and seated dining functions remain exclusive to the Town Hall Catering Panel.*
