

Submission disclaimer

Please ensure submissions are lodged with Council by the 'submissions close' date. Certain information may be made available or released to members of the public upon application and/or included in the public forum. Should you wish to keep your personal details confidential, you must request this in writing with your submission. Council cannot guarantee that your details will remain confidential if it is considered within the public interest to release this information, however, in this circumstance Council will consult you prior to the release of any personal details.
